- Updates

- New Business

NECO Tabletop June 23, 2004 – A smallpox scenario

Found several gaps in the plan:

1. How to vaccinate the Hospital staff and first responders first?
2. Having enough people to man the clinics.
3. Limitation on Movement (quarantine) – How to enforce, Who, How does hospitals quarantine/isolate
4. Develop an SNS plan
5. Etc.

OPHCS – ODH 24/7 communication system

Developing a white powder protocol for handling calls

Discussion

- Next Meeting – **Friday August 13, 2004**
Mercy Medical Center
Immediately following Task Force Meeting
Our meeting will begin at approx. 8:30A.M.
