

PHAB's preference is for all documents to be uploaded as a PDF file format (Adobe Portable Document Format). This is not always possible, so PHAB will accept the following formats:

<i>File Type</i>	<i>Extension</i>
Audio	mp3, wav
Image	Image files should be pasted into MS Word or Portable Document Format; they should not be uploaded as a separate file.
MS Excel	xlsx, xls
MS PowerPoint	pps, ppsm, ppsx, ppt, pptm, pptx
MS Word	doc, docm, docx, rtf
Portable Document Format	PDF (PDF Portfolio files should not be uploaded)
Text	htm, html, txt
Video	wmv, mpeg, mpg, mpv, mp4

If you have questions about acceptable file formats, please contact your Accreditation Specialist.
