Dental Clinic: by appt. only, Adult/Pediatric (ages 5 and up) care

Exam, cleaning, polishing, oral health instruction, home care kit, and if needed dental X-rays, fluoride treatment, and removable appliance care.

Screening visit (45 minutes) and then, if you meet the program's educational needs, you will be matched with a student who will provide your dental care. Dental cleaning will be scheduled for three hour appointments and you may need to return two, three or more times to have everything completed depending on the complexity of your dental health needs. Children typically do not need a screening visit.

Set Fee, Cash/ Check
